

PROVIDING FOR THE CONSIDERATION OF H.R. 592, WORLD
WAR VETERANS PARK AT MILLER FIELD GATEWAY NA-
TIONAL RECREATION AREA

JUNE 29, 1999.—Referred to the House Calendar and ordered to be printed

Mr. HASTINGS of Washington, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 231]

The Committee on Rules, having had under consideration House Resolution 231, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 592, the “World War Veterans Park at Miller Field Gateway National Recreation Area” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Resources.

The rule makes in order the Committee on Resources amendment in the nature of a substitute as an original bill for purpose of amendment, which shall be open for amendment at any point. The rule waives clause 7 of rule XVI (prohibiting nongermane amendments) against the amendment in the nature of a substitute. The waiver is needed because the amendment in the nature of a substitute designates a different portion of the recreation area than was designated in the introduced bill.

Members who have preprinted their amendments in the Record prior to their consideration may be given priority in recognition to offer their amendments if otherwise consistent with House rules. The Chairman of the Committee of the Whole may postpone votes during consideration of the bill, and reduce voting time to five minutes on a postponed question if the vote follows a fifteen minute vote. Finally, the rule provides for one motion to recommit, with or without instructions.
